FCC ANNOUNCES TENTATIVE AGENDA FOR OCTOBER 14th OPEN MEETING

Washington, D.C. -- Today, Federal Communications Commission Chairman Julius Genachowski announced that the following items will be on the tentative agenda for the next open meeting scheduled for Thursday, October 14, 2010:

- **Bill Shock NPRM:** A Notice of Proposed Rulemaking seeking comment on rules requiring mobile carriers to provide usage alerts and related information that will assist consumers in avoiding unexpected charges on their bills.
- **Mobility Fund NPRM:** A Notice of Proposed Rulemaking seeking comment on a proposal to use recently reserved universal service funds to create a Mobility Fund to support private investment in current- (3G) and next-generation mobile services in areas where consumers currently lack such services.
- **CableCARD Third R&O and Order on Reconsideration:** A Third Report and Order and Order on Reconsideration that will make changes to the FCC's CableCARD rules to improve the consumer experience with the video navigation devices used with cable services and promote the development of a competitive market for such devices.

Topics selected for FCC open meeting agendas are posted on the Commission's website approximately three weeks prior to the Commission's next monthly meeting. The FCC will also issue a public notice of the "Commission Meeting Agenda" one week before the meeting and announce at that time the items that are scheduled for the agenda.

Commission meetings are open to the public, who can attend in person at the FCC headquarters (445 12th Street SW, Washington, D.C.), or watch the live stream at www.fcc.gov/live.
